COORDINATING WORKING PARTY ON FISHERY STATISTICS

Nineteenth Session

Nouméa, New Caledonia, 10-13 July 2001

CHANGES IN MEMBERSHIP OF THE CWP

Author: Secretariat

CWP has gained one additional participating organization since its Eighteenth Session. In a letter to the CWP Secretary dated 22 June 2000, the Director of the Inter-American Tropical Tuna Commission (IATTC) requested admittance of his Commission to the CWP. The Secretary requested all CWP agencies (message dated 20 July) to consider the application and inform him of the result. On 12 December, CWP agencies were informed by the Secretary that the application had been endorsed. The Director of IATTC was informed accordingly.

During the intersessional period, SEAFDEC expressed some interest in becoming a participating organization of the CWP and a willingness to participate in CWP-19 as a nominee of FAO, although subsequent circumstances did not permit this.
