

## Summary Curriculum Vitae

**Name** Joseph Caffrey  
**Affiliation** Inland Fisheries Ireland, Swords Business Campus, Swords, Dublin, Ireland  
**Email** [joe.caffrey@fisheriesireland.ie](mailto:joe.caffrey@fisheriesireland.ie)  
**Qualifications** BSc Hons, University College Dublin (1975)  
PhD, University College Dublin (1990)

### Professional Experience

**1976 to date:** employed in IFI and its predecessors  
**Function:** Senior Scientist in the Research Section of IFI

### Areas of Responsibility

As a senior scientist within IFI I have responsibility for a number of research and management areas. These include:

- Aquatic plant management in freshwater habitats
- Coarse or recreational fish species (excl. salmonids, eels and conservation species)
- Pike
- Invasive species.

### List of some publications
