## **Language**

English, French, Spanish and Arabic can be used for the preparation of workshop papers. However, no interpretation services will be available. It is expected that English will be the main language for discussions.

## **Call for papers**

Scientists are encouraged to present works and papers to any agenda item. Scientists wishing to make presentations to the workshop must submit title, list of authors and abstracts of their papers using the attached registration form.

Abstract should be sent by 25 August 2007. Related documents and **completed** stock assessment forms should be sent by 4 September 2007. After these deadlines, the acceptance of papers and presentations will not be guaranteed.

## **Hotel:**

Hereafter are shown some hotels located within walking distance from the meeting place. Colleagues should make reservation by themselves by mentioning that they participate in a FAO/GFCM meeting. If the hotels should be completely booked, participants may look on the internet, keeping in mind that the Megaro metro station is within walking distance (20 min) from the meeting place. Participants are kindly requested to make their own reservations.
