	Other sharks								
	Devil ray <i>Mobula mobular</i>								
	Other rays								

Full name.....: Country.....

Organisation (if applicable):.....

Please use one grid per country or area and send it before 31 August 2008 to the following Email address: [mednejmeddine.bradai@instm.rnrt.tn](mailto:mednejmeddine.bradai@instm.rnrt.tn)

<sup>1</sup> This information grid will be used to assess the present status of bycatch of endangered species in the Mediterranean fisheries. The assessment is being undertaken within the framework of the Subcommittee on Marine Environment and Ecosystems (SCMEE) of the Scientific Advisory Committee of the General Fisheries Commission for the Mediterranean. Contributing to this assessment through filling in this grid or by forwarding it to relevant people will be highly appreciated.
