

This software application (beta version) is subject to a disclaimer, terms of use and a copyright notice.

Disclaimer

The Secretariat of the General Fisheries Commission for the Mediterranean (GFCM) has developed this data entry application to provide additional support to the GFCM Members in fulfilment of the GFCM Recommendation GFCM/33/2009/3. Nonetheless, it declines all responsibility for errors or faults in the software or in the documentation accompanying it, for program maintenance and upgrading, as well as for any damage that may arise from them. Users are, however, kindly asked to report any errors or faults in this product to the GFCM Secretariat.

Terms of Use

Please read all conditions of the terms of use before continuing. Using this software indicates your acceptance of this agreement. If you do not agree to the terms and conditions, remove the software from all your systems.

In particular, you may:

- a) Install and run the *GFCM Task1 – Operational Units DB Application* on as many systems as required.

You may NOT:

- a) Rent, sell or lease any portion of this software and its related data;
- b) Reverse engineer, decompile, disassemble, modify, translate, make any attempt to discover the source code of the *GFCM Task1 – Operational Units DB Application*, or create any derivative works from its software logics.
