

The information provided through this information system is subject to a disclaimer, terms of use, a copyright notice and rules related to data confidentiality policy and procedures.

Disclaimer

The Secretariat of the General Fisheries Commission for the Mediterranean (GFCM) maintains this information system to provide timely and accurate information in its best capacity. Nonetheless, it declines all responsibility for errors or deficiencies in the database or software or in the documentation accompanying it, for program maintenance and upgrading as well as for any damage that may arise from them. Users are, however, kindly asked to report any errors or deficiencies in this product to the GFCM Secretariat. The GFCM also declines any responsibility for updating the data and assumes no responsibility for errors and omissions in the data provided by its Members.

The GFCM Secretariat endeavours to minimize disruption caused by technical errors, but cannot guarantee that the service will not be interrupted or affected by technical problems beyond its control and choice.

Terms of Use

Please read all conditions of the terms of use before continuing. Using our software indicates your acceptance of this agreement. If you do not agree to the terms and conditions, remove the software from all your systems.

In particular, you may:

- a) Install and run the GFCM AVL Browser on as many systems as required.

You may NOT:

- a) Rent, sell or lease any portion of this software and its related data;
- b) Reverse engineer, decompile, disassemble, modify, translate, make any attempt to discover the source code of the GFCM AVL Browser, or create any derivative works from its software logics.

The source of any reproduced data or information downloaded from this information system must be acknowledged. Permission must be obtained for the reproduction or use of textual and multimedia information (sound, images, software, etc.).

Data confidentiality policy and procedures

The General Fisheries Commission for the Mediterranean (GFCM) applies policy and procedures on confidentiality of data in accordance with RECOMMENDATION GFCM/2006/7.

Information available is compiled and maintained within the context of RECOMMENDATION GFCM/2005/2 and is published in accordance with Article 4 of this Recommendation.
