

Principles Governing Behaviour of a Responsible Flag State

- 1) Commitment to prevent, deter and eliminate IUU fishing
- 2) Commitment to act in accordance with international law with respect to flag state performance
- 3) Commitment to respect efforts to conserve and sustain marine resources
- 4) Commitment to enforce requirements as a flag state and take action against non-compliance
- 5) Respect for national sovereignty and coastal state rights
- 6) Commitment to duty to cooperate
