Head Librarian  
Email: [sgoulala@ath.hcmr.gr](mailto:sgoulala@ath.hcmr.gr)

**Input staff**

Sofia Goulala  
Aggeliki Gouvousi

**3. Input statistics:**

During the intercessional period (**July 2004 – September 2005**) were prepared **212 records**, sending in three batches:

- 31 September 2004
- 101 June 2005
- 80 September 2005

Break-up of records:

Monographs:	1
Journal articles:	23
Technical reports:	18
Conference papers:	167
Theses:	3

**4. Distribution list :**

ASFA CD-Roms and  
CSA Internet Database

**5. Usefulness:**

ASFA is the main database used by our scientists.

**6. Monitoring list:**

There are no changes in the monitoring list . The total titles in the list is 16. 4 of them are considered core journals.

**8. Problems**

We have problem with typesetting codes which are not converted to special characters (Greek letters) on CSA Illumina database.
