ASFA-Board-L (List of Subscribers) (as of August 2005)

WHAT IS "ASFA-BOARD-L" ? ASFA-Board-L is a "Listserv" that enables ASFA Partners to communicate simultaneously with all the other ASFA members who are subscribed to the Listserv. ASFA-Board -L contains only the e-mail addresses (see below) of the ASFA Partners (and collaborating ASFA centers). The FAO ASFA Secretariat uses the ASFA-BOARD-L list to post (to send) messages to all the ASFA Partners (i.e. messages usually referring to: upcoming ASFA Board Meetings, ASFA Trust Fund proposals, ASFISIS release-3 updates etc.). When you (your organization) becomes an ASFA Partner, we subscribe your e-mail address as a member of this List.

Of course, the ASFA Partners may also use the ASFA-Board-L list to send messages simultaneously to all of the ASFA Partners.

HOW TO SEND A MESSAGE TO THE ASFA-BOARD-L listserv? When you want to send (post) a message/question simultaneously to all the ASFA Board Partners (and ASFA collaborating centres), you must send your message to the following address (it is called the Listserv address):

ASFA-Board-L@mailserv.fao.org

IMPORTANT: remember that when you send a message to the ASFA-Board-L listserv, you **must** be using the **same email address** with which you were subscribed to the list, otherwise you will receive a delivery failure message indicating that you don't have permission (**consult the list below**, to see with what e-mail address I have signed you up to the ASFA-Board-L list). *Note that some email accounts can have two addresses, a normal "from: address" that most people see when receiving your messages and an envelop "from: address" that may differ and is usually not seen. Our mailserv software uses this second address. If it turns out that you do have two types of "from: address" contact your email administrator, as it is not desirable for them to be different.*

.....
(E-mail addresses Subscribed to ASFA-Board-L)
