

The ninth edition of the **International Code of Nomenclature for Cultivated Plants** has been published in June 2016 in the International Society for Horticultural Sciences series *Scripta Horticulturae* Number 18. The 9th edition replaces any previous editions of 'The Code' (the 8th edition was published in October 2009 as *Scripta Horticulturae* Number 10 and as *Regnum Vegetabile* Vol. 151.)
