ASEAN-RAI Parliamentary Implementation Framework 2024-2030						
No.	Objectives	Act. No.	Implementation Activities	Implementation Year		
				2024	2025	2026
Pillar 1: Assessment						
1a	Assess policy, legislative, and institutional frameworks for responsible investments in food, agriculture, and forestry.	11	Support the conduct of regional and national dialogue, and capacity development programs involving relevant stakeholders, to enhance the understanding of AIPA Member Parliaments on responsible investment on food, agriculture, and forestry (RAI) and the ASEAN RAI, while ensuring that the roles of relevant committee in national parliaments are identified.			
		12	Support coordination between relevant stakeholders with relevant national agencies to assess the alignment of national laws, policies, and institutional frameworks with the ASEAN RAI, and identify areas for			
				Responsible Parties		
				AIPA Secretariat (regional) and AIPA Member Parliaments (national level)		
				AIPA Member Parliaments and relevant line ministries

Family Farming: Current Legislative and Policy Landscape

Country Reports submitted to the 15th and 16th AIPA Caucus (2024–2025) reflect diverse legislative and policy approaches to supporting family farming and small-scale agriculture:

Farmer protection and empowerment

Agricultural cooperatives

Sustainable mechanisation, agricultural climate finance, and parliamentary oversight

Agricultural financing and mechanisation

Fair contractual arrangements between farmers and agricultural businesses
