Exhibition Registration Open

Registration for an exhibition stand at the XV World Forestry Congress is now open!

An exhibit will provide a unique opportunity to promote projects, products, present innovative technologies effectively, and build future partnerships.

More information can be found [here](#).

Reminder: Submit a proposal for a side event

The submission platform for side event proposals is open, and the deadline for submission is 30 July 2021.

Side events are a platform to engage with Congress participants for knowledge sharing, capacity building, networking, and exploring actionable solutions for meeting the challenges in the forest sector. We encourage all stakeholders to submit their proposals by the deadline.
