

FFOA Information Note 2024/10

Closure of accesses to FFOA during summer period for major renovation works

July 2024

Dear Members,

This is to inform you that extensive renovations are being undertaken inside the FAO buildings (see map herebelow). The easiest way to reach the offices in Building E is to exit Building B through the door indicated for the gyms, opposite the UN Womens Guild Gift Shop, and walk around Building E to the entrance at the back.

Best regards,
FFOA Secretariat
